# ACCESSORIES

Amazing NEW Crazy Pave! This beautiful range provides great design flexibility for residential and commercial applications. Crazy Pave, irregular in shape, is ideal for pool areas, outdoor showers, courtyards, pathways, feature walls and even fireplaces. The applications are endless. Being only 10mm in thickness it is lightweight, compared to stone, making it great for walls. Crazy Pave has the Surfacetec finish, with a P4 rating and allows you to use it in all areas internally and externally. Enzo's extensive range is complemented with NEW pencil bullnose, pavers, mosaics and lappato finishes. It is the most comprehensive series on the market today! Crazy Pave... Designs are limited only by your imagination!
